“TEN YEARS - TEN LECTURES”

Lectures from the Five Continents
for the Tenth Anniversary of CeSGReM 2014-2024

To celebrate the Tenth anniversary of the Center for Restorative Justice and Mediation Studies (CeSGReM) at the University of Insubria, instead of the usual annual Lecture, ten Lectures will be held, two devoted to each continent, spread over five different days.

This series aspires to offer the Academic community a comprehensive and multi-perspective overview of the evolving practices and applications of restorative justice, thanks to the presence of distinguished scholars and experts.

Our hope is that these Lectures will serve as an opportunity to reflect on the transformations and challenges of restorative justice around the world.
