

We are looking for interns

Our firm, **Iron and Steel Products LLC**, is engaged in the e-commerce of iron and steel goods, marketing (e.g. market research) and business services. The LLC is looking for interns with a home office.

General requirements:

- In-process degree in business, economics or social science.
- At least an intermediate English language exam.
- Proper office environment with a computer.
- German and/or French language skills are a plus, but not required.

What we offer:

- Internship opportunity full-time or part-time.
- Flexible, predictable working hours and work schedule.
- You can work comfortably, completely from your home office.
- Experience in an e-commerce, marketing and business services company. English language skills can be improved.

The firm is headquartered in **Hungary**.

Tasks:

- Assistance, collecting information.
- Making Excel compilation of quotations or other data.
- Communication with co-workers and partners, for example, by e-mail, voice and video call.
- Other administrations, e.g. HR-related tasks, market research, invoicing, dealing with customers.
